This world's a very funny world,
And everybody tries
To ride some hooby if they can,
Regardless of its size:
So some are in for politics
For fashion or gain:
But one and all have had some time
Love on the brain.

Each haughty monarch on his throne

Our modern days bring out gay belles,
Before they're in their teem;
And offen young America.
Would wed, but wants the means;
And while our Romeo despairs,
Our Juliet would fain
Hope, sing and sigh, laugh and cry,
Love on the bridge.

Now, when you see a making glance
Quite anxiously around.
Then blush, and cast her eyalids down,
As 1970 sean the ground?
Or when a young mean takes to thymes
To easy his heart it vain;
You may be sure they both have got
Love on the brain.
CHORUS-Kisses, blisses, &c.

And now I have a word to say
To friends and parents too;
Don't grumble if the boys and girls
Should follow after you;
For well you know, for now you're old,
You really can't complain,
For you have had, or should have had,
Love on the brain.
CHORUS-Kisses, blisses, &c.
